

## **OBAYASHI CORPORATION**

NON CONSOLIDATED FINANCIAL STATEMENTS

Year Ended March 31, 2020

## **Independent Auditor's Report**

The Board of Directors
OBAYASHI CORPORATION

## **Opinion**

We have audited the accompanying non consolidated financial statements of OBAYASHI CORPORATION, which comprise the non-consolidated balance sheet as at March 31, 2020, and the non-consolidated statement of income, and changes in net assets for the year then ended, and notes to the non-consolidated financial statements.

In our opinion, the accompanying non consolidated financial statements present fairly, in all material respects, the non consolidated financial position of OBAYASHI CORPORATION at March 31, 2020, and its non consolidated financial performance for the year then ended in accordance with accounting principles generally accepted in Japan.

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Non Consolidated Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Japan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of Management, Corporate Auditor and Board of Corporate Auditors for the Non-Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these non-consolidated financial statements in accordance with accounting principles generally accepted in Japan, and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the non-consolidated financial statements, management is responsible for assessing the entity's ability to continue as a going concern and disclosing, as required by accounting principles generally accepted in Japan, matters related to going concern.

Corporate Auditor and Board of Corporate Auditors are responsible for overseeing the entity's financial reporting process.

## Auditor's Responsibilities for the Audit of the Non-Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the non consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these non consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the non consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- Consider internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances for our risk assessments, while the purpose of the audit of
  the non-consolidated financial statements is not expressing an opinion on the effectiveness
  of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the non consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the non-consolidated financial statements, including the disclosures, and whether the non-consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation in accordance with accounting principles generally accepted in Japan

We communicate with the Corporate Auditor and Board of Corporate Auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide the Corporate Auditor and Board of Corporate Auditors with a statement that we have complied with the ethical requirements regarding independence that are relevant to our audit of the non-financial statements in Japan, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Conflicts of Interest**

We have no interest in the entity which should be disclosed in accordance with the Certified Public Accountants Act.

## **Convenience Translation**

The U.S. dollar amounts in the accompanying non consolidated financial statements with respect to the year ended March 31, 2020 are presented solely for convenience. Our audit also included the translation of Japanese yen amounts into U.S. dollar amounts and, in our opinion, such translation has been made on the basis described in Note 2 to the non-consolidated financial statements.

#### **Notes to Non-Consolidated Financial Statements**

OBAYASHI CORPORATION for the years ended March 31, 2020 and 2019

#### 1 Basis of Presenting Non-consolidated Financial Statements

The accompanying non-consolidated financial statements were prepared based on the accounts maintained by OBAYASHI CORPORATION (the "Company") in accordance with accounting principles generally accepted in Japan, which are different in certain respects as to the application and disclosure requirements of International Financial Reporting Standards, and are compiled from the non-consolidated financial statements prepared by the Company as required by the Financial Instruments and Exchange Law of Japan Certain amounts in the prior year's financial statements were reclassified to conform to the changes made for the latest fiscal year.

#### 2. U.S. Dollar Amounts

The accounts of the non-consolidated financial statements presented herein are expressed in Japanese yen by rounding down to the nearest million. The U.S. dollar amounts shown in the accompanying non-consolidated financial statements and notes thereto were translated from the original Japanese yen into U.S. dollars on the basis of \108.83 to US\$1, the rate of exchange prevailing at March 31, 2020, and were then rounded down to the nearest thousand. These U.S. dollar amounts are not intended to imply that the Japanese yen amounts have been or could be converted, realized or settled in U S dollars at this or any other rate

#### 3 Summary of Significant Accounting Policies

#### (1) Short-term investment securities and investment securities

Securities are classified into three categories: held-to-maturity, stocks of subsidiaries and affiliates, and other securities Held-to-maturity securities are carried at amortized cost. Stocks of subsidiaries and affiliates are carried at cost. Marketable securities classified as other securities are carried at fair value with changes in unrealized holding gain or loss, net of the applicable income taxes, included directly in net assets. Non-marketable securities classified as other securities are carried at cost. Cost of securities sold is determined by the moving average method.

#### (2) Inventories

Real estate held for sale, costs on uncompleted construction contracts and costs on real estate business and other are all stated at cost determined by the specific identification method.

Raw materials and supplies are stated at cost determined by the first-in first-out method.

Inventories are stated at the lower of cost or net realizable value.

#### (3) Property, plant and equipment

The Company calculates depreciation by the declining-balance method, while straight-line method is applied to the buildings and fixtures acquired on or after April 1, 1998 and facilities attached to the buildings and other non-building structures acquired on or after April 1, 2016.

The useful lives and residual values of depreciable assets are estimated in accordance with the Corporate Tax Law.

#### (4) Intangible assets

Intangible fixed assets are amortized by the straight-line method. Computer software for internal use is amortized by the straight-line method over the estimated useful life of 5 years.

#### (5) Leased assets

Amortization of leased assets under finance leases that do not transfer ownership of the leased assets to the lessee is calculated by the straight-line method over the lease period with a residual value of zero

#### (6) Foreign currency translation

Receivables and payables denominated in foreign currencies are translated into Japanese yen at the rate of exchange in effect at the balance sheet date.

The resulting exchange gains and losses from translation are recognized in the non-consolidated statements of income.

#### (7) Allowance for doubtful accounts

Àllowance for doubtful accounts is provided based on the Company's historical experience with respect to write-offs and based on an estimate of the amount for specific uncollectible accounts.

#### (8) Provision for warranties for completed construction

Provision for warranties for completed construction is provided to cover expenses for defects claimed concerning completed work, based on the estimated amount of compensation to be paid in the future for the work completed during the fiscal year

#### (9) Provision for loss on construction contracts

Provision for loss on construction contracts is provided at the estimated amount for the future losses on contract backlog at the balance sheet date which will probably be incurred and which can be reasonably estimated.

### (10) Provision for loss on Antimonopoly Act

Provision for loss on Antimonopoly Act is provided for the estimated surcharges and other based on the Antimonopoly Act

#### (11) Provision for retirement benefits

Provision for retirement benefits is provided mainly at an amount calculated based on the projected benefit obligation and the fair value of the pension plan assets, as adjusted for unrecognized actuarial differences and unrecognized prior service cost.

Retirement benefit obligation for employees is attributed to each period by the benefit formula method.

Actuarial differences are amortized commencing in the following years after the differences are recognized primarily by the straight-line method over a period 10 years which are shorter than the average remaining years of service of the employees. Prior service cost (PSC) is amortized by the straight-line method over a period of 10 years which is shorter than the average remaining years of service of the employees.

#### (12) Provision for stock payments for directors

Provision for stock payments for directors is provided for stock award debt based on predetermined regulations for awarding stock, which is prepared for future awards of the Company shares to its directors and executive officers.

#### (13) Provision for loss on real estate business and other

Provision for loss on real estate business and other is provided for the estimated losses to be incurred in liquidating real estate and restructuring the real estate related business.

#### (14) Provision for loss on business of subsidiaries and affiliates

Provision for loss on business of subsidiaries and affiliates is provided for the estimated losses which exceed investments in capital of and loans receivable from subsidiaries and affiliates

#### (15) Provision for environmental measures

Provision for environmental measures is provided based on an estimate of costs for disposal of Polychlorinated Biphenyl (PCB) waste, which the Company is obliged to dispose by the Act on Special Measures Concerning Promotion of Proper Treatment of PCB Waste.

#### (16) Recognizing revenues and costs of construction contracts

Revenues and costs of construction contracts of which the percentage of completion can be reliably estimated are recognized by the percentage-of-completion method. The percentage of completion is calculated at the cost incurred as a percentage of the estimated total cost. The completed-contract method continues to be applied for contracts for which the percentage of completion cannot be reliably estimated.

#### (17) Derivatives and hedge accounting

#### (a) Method of hedge accounting

Hedging instruments are valued at fair value and accounted for using the deferral method of accounting.

The monetary assets and liabilities denominated in foreign currencies, for which foreign exchange forward contracts or currency options are used to hedge the foreign currency fluctuations, are translated at the contracted rate if the foreign exchange forward contracts or currency options qualify for hedge accounting.

The interest rate swaps, which qualify for hedge accounting and meet specific matching criteria, are not remeasured at market value, but the differential paid or received under the swap agreements is charged to income (short-cut method)

#### (b) Hedging instruments and hedged items

To hedge foreign exchange risks related to the monetary assets and liabilities denominated in foreign currencies and projected future foreign currency transactions, foreign exchange forward contracts and non-deliverable foreign exchange forward contracts are employed as hedging instruments. To hedge the interest-rate risks and foreign exchange risks related to loans payable, interest rate swaps or interest rate/currency swaps are employed as hedging instruments.

#### (c) Hedging policy

The Company utilizes derivative financial instruments only for the purpose of hedging future risks of fluctuation of foreign currency exchange rates or interest rates in accordance with internal rules.

#### (d) Assessment of hedge effectiveness

Hedge effectiveness is not assessed when substantial terms and conditions of the hedging instruments and the hedged forecasted transactions are the same.

The evaluation of hedge effectiveness is omitted for interest rate swaps as they meet certain criteria under the short-cut method.

#### (18) Accounting treatment of retirement benefits

The treatment of unrecognized actuarial differences and unrecognized prior service cost in the non-consolidated balance sheet differs from that in the consolidated balance sheet

#### (19) Consumption taxes

Consumption tax and local consumption tax are accounted for under the tax-exclusive method.

## (20) Income taxes

The Company applies deferred tax accounting for income taxes which requires recognition of income taxes by the asset/liability method.

Under the asset/liability method, deferred tax assets and liabilities are determined based on the difference between financial reporting basis and the tax basis of the assets and liabilities and are measured using the enacted tax rates and laws which will be in effect when the differences are expected to reverse.

## (21) Consolidated tax payment system

The Company applies the consolidated tax payment system.

#### **4 Additional Information**

#### (1) Performance-linked stock compensation plan for directors and executive officers

As for the performance-linked stock compensation plan for the Directors through the BIP Trust, see Note 5 of "Notes to Consolidated Financial Statements."

#### (2) Accounting estimates associated with the spread of the Coronavirus (COVID-19)

Due to the spread of the Coronavirus, the Companies suspended a part of domestic and overseas construction projects. The Companies estimate revenues and costs of construction contracts by the percentage-of-completion method and recoverability of deferred tax assets assuming that the effect of the suspension will continue until June 2020

## 7 Notes to Non-Consolidated Statements of Changes in Net Assets

Shareholders' equity

The Corporation Law of Japan provides that an amount equal to 10% of the amount to be disbursed as distributions of capital surplus (other than legal capital surplus) and retained earnings (other than legal reserve) be transferred to legal capital surplus or legal reserve, until the sum of legal capital surplus and legal reserve equals 25% of the capital stock account. Such distributions can be made at any time by resolution of the shareholders, or by the Board of Directors if certain conditions are met. The retained earnings account in the accompanying non-consolidated balance sheet at March 31, 2020 includes a legal reserve of \14,438 million (\$132,666 thousand).

## 8. Stocks of Subsidiaries and Affiliates with Fair Value

Stocks of subsidiaries and affiliates None.

Note: Carrying value of stocks of subsidiaries and affiliates for which fair value is extremely difficult to determine
